

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. CONDITIONS OF SALE.

1. The highest Bidder to be the Buyer, and if any dispute arise between two or more Bidders, the Lot so in dispute shall be immediately put up again and re-sold.

2. The Purchasers to give their names and addresses, and to pay down twenty-five percent. on the dollar in part payment, or the whole of the Purchase-money, *if required*, in default of which the Lot or Lots so purchased to be immediately put up again and re-sold.

3. The Lots to be taken away at the Buyer's Expense and Risk within three days from the conclusion of the Sale, and the remainder of the Purchase-money to be absolutely paid, or otherwise settled for to the satisfaction of the Vendors, on or before delivery: in default of which Messrs. GEO. A. LEAVITT & CO. will not hold themselves responsible, if the Lots be lost, stolen, damaged, or destroyed, but they will be left at the sole risk of the Purchaser.

4. The sale of any Painting, Engraving, Print, Furniture, Works of Art, or any other article, is not to be set aside on account of any error in the description. All articles are exposed for Public Exhibition one or more days, and are sold just as they are without recourse.

5. To prevent inaccuracy in delivery and inconvenience in the settlement of the Purchases, no lot can, on any account, be removed during the Sale.

6. Upon failure of complying with the above conditions, the money deposited in part payment shall be forfeited; all Lots uncleared within the time aforesaid shall be re-sold by public or private Sale, without further notice, and the deficiency (if any) attending such re-sale, shall be made good by the Defaulter at this Sale, together with all charges attending the same. This Condition is without prejudice to the right of the Auctioneers to enforce the contract made at this Sale, without such re-sale if they think fit.
